PHOTOCOPIABLE

DAY 3

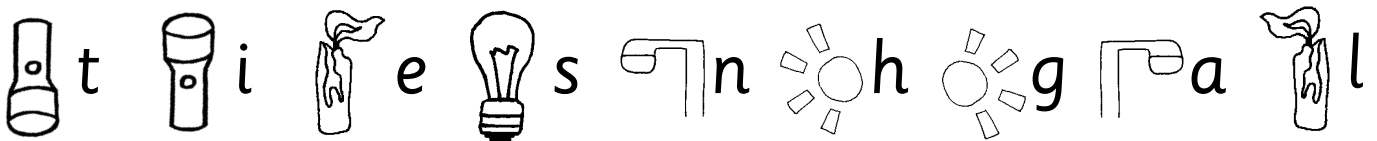

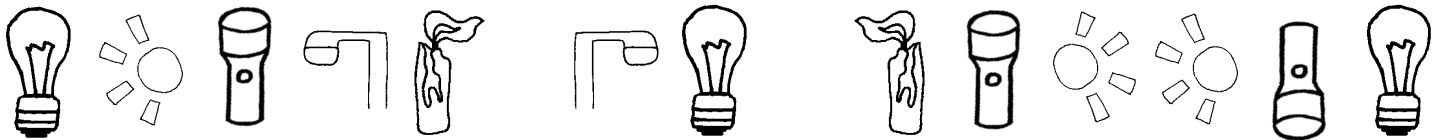

People often do wrong things that don't please God. Followers of Jesus should live differently.

This is what Paul wrote to his friends in Philippi:

God is working in you to make you willing and able to obey him. Do everything without grumbling or arguing ... Try to shine as lights among the people of this world.

(Philippians 2:13-15)

Can you work out what Paul said using the light code?

How can you help other people and shine as a light in a dark world?

Draw yourself helping someone else, then finish this sentence:

Dear God, please help me help...
