Hidden in the grid above are words linked to this week’s story about what Jesus said in His Sermon on the Mount.

All the words are arranged in a straight line, from left to right, or downwards. Print this page and draw a line around the words as you find them and mark them off the list below, so you know how well you are doing. Bring the WordSearch with you next time, and you will earn extra points. When you’ve done the small one, why not try the big one below – but there’s a difference this week: all the words appear twice. See if you can find the eleven names of Razzmatazz leaders and helpers too.
