Hidden in the grid above are words linked to this week's story about Jesus commanding the storm on the lake to be calm. All the words are arranged in a straight line, from left to right, or downwards. Print this page and draw a line around the words as you find them and mark them off the list below, so you know how well you are doing. Bring the WordSearch with you next time, and you will earn extra points. When you've done the small one, why not try the big one below; but beware – there is a catch. Each word appears twice except one: which one is it?
