

MUSIC CODEBREAKER 1

Below are lines of music which, if played, sound rubbish! That is because it is code for Biblical names; each line represents three names, all with a common theme. The music is in the key of C major so you don't need to worry about sharps and flats. Each note is known by a letter: A,B,C,D,E,F,G, but because there are 26 letters in the alphabet, each note could represent another letter, e.g. the note A could also represent the letters H, O, and V. The observant ones will see that each name is contained between rests. Below is a table of letters to help.

- Line 1 – three of Adam's and Eve's sons.
- Line 2 – three of Jesus's disciples.
- Line 3 – three books in the New Testament.
- Line 4 – three books in the Old Testament.
- Line 5 – three names from the genealogy of Jesus.
- Line 6 – Job's three friends.
- Line 7 – Daniel's three friends.
- Line 8 – Noah's three sons.
- Line 9 – three of Revelations 'seven churches'.
- Line 10 – three of Jacob's sons.
