

Here are some verses from Scripture, but each letter is represented by a symbol. All you have to do is work out which letter is represented by which symbol. You have been given a head start with three letters, I, M, and T. Put those letters into the grid where their symbol is shown and then try to work out what the other letters are. Once complete, can you find out where the verses appear in the Bible.

| ¢.  | >                      | •   | d  | <b>F</b>  |                   |     | F        | E.       | 8  |                | N             | W W      | ×.            |  | 3           | M        | 1        | Z.     |   | 4        |  |
