

THE THIRTEEN DISCIPLES OF JESUS

Here is a list of Jesus' thirteen disciples, including Judas, and Mattias who replaced Judas after his death. These are listed in Matthew 10:2-4, Mark 3:16-19, and Luke 6: 13-16. The list below is in the order of Luke's gospel. The election of Mattias is recorded in Acts 1:12-26. Starting with Peter, can you draw one line around the grid from one cell to a neighbouring cell to spell all thirteen disciples. You can move up, down, left, right and diagonal, but the line must be continuous through all the names [do not look for the names in brackets].
