

TRIANGLE PUZZLE 2

On the next page are many shapes overlying one other. Where they overlap, more shapes are created, and inside each of these small shapes is a letter. Find all sixteen letters inside the small triangles [only the triangles – with three straight sides] and arrange them inside the grid below to build Peter’s reply to Jesus’ question “Who do you say I am?”.

It might help if you place the letters in the grid here as you find them, and then rearrange them into Peter’s answer.

Jesus asked Peter, “Who do you say I am?”

Peter replied:
