

CRISSCROSSWORD 3

In Hebrews chapter 11 there is a list of 'people of faith'. Faith is described in the opening verse: "Faith is being sure of what we hope for, being convinced of what we do not see." [New English Translation]. Verse two explains that there were people in the past who received God's commendation because they showed faith in Him. According to the New International Version, there are sixteen people named in this chapter for their faith; can you fit them into the grid below?
